

No Nut Narrator: Ass

by Preun BB

"I LOVE this mix and match sale! This top is perfect, but I'm still looking for a bottom half. Which of these do you think?" Ashley held up a few scraps of cloth that were technically clothing.

"It's...it's fine honey." Jordan said. Normally, Jordan was very appreciative of his girlfriend's ability to find the most revealing beachwear in the store. Certainly, by next summer he'd appreciate her beachwear choices. But right now...

She had to be doing it on purpose. Who goes bikini shopping in the middle of November?

"Come on, you're not even looking. I would've figured you'd be extra interested, given the month and all that." Ashley grinned.

"It's just...it's been pretty rough." An understatement. His balls felt taut, almost churning with unspent cum. Last night, he'd dripped so much precum in his sleep he'd had to change the sheets.

"Are you worried you'll cum just from looking?" He didn't answer, but she read his expression.

"Ashley..."

"Don't exaggerate. I know you love watching me, but you're no quickshot. At worst, you'll get a little case of blueballs."

Jordan groaned. His blueballs were anything but little at this point. Each day, the low-level ache of pent up cum had gotten worse, and now, on the tenth day, it was an almost constant agony. Ashley's teasing ratched it up even more, and the ache was starting to get debilitating, at times (like, say, while watching her try on swimsuits).

But what made it even worse was how foreign it felt, to get a great tease by his girlfriend followed by...*nothing*. They'd always been a very active couple, the years together doing nothing to erode their passion. Whenever one of them was in the mood, the other was too.

And she'd always loved toying with him, working him up with her body, making him wait for his pleasure until he begged. Almost as much as he loved it.

But he loved it because all that teasing eventually ended with *relief*. It was almost Pavlovian at this point: seeing Ashley nude, especially her perfect ass, was a signal to his cock that it was time to go into overdrive. Now, she just got him all revved up for painful, aching, nothing.

"Come on, stop staring at the ground. How hard is it to convince you to look at my butt?"

Not hard at all, obviously. He sighed, and let his eyes creep up to those two perfect cheeks. The yellow swimsuit hugged. It was a little more modest than her normal G-string. But with balls ten days full of cum, that hardly mattered. Any other time, he would've been proud to show off his reaction to her body, but this month...

It was too late. She grinned.

"Well, I can see you like it, at least."

"Great. You've successfully found a bikini that turns me on. Not much of a challenge, at this point. Can we go now?"

She frowned. "Hm, you're right."

"We're done?"

"No, that was too easy. You'd be rock hard for anything I put on." She slipped the yellow bottom off, not bothering to warn him that he was getting a fully uncovered view.

Jordan gasped. She smirked back at him, arching an eyebrow.

"Flattering. I wish you reacted like that when I walk around naked at home."

"I can't be like this all the time, Ashley. It's...distracting." Now he had to look away. The telltale creep of precum up his shaft was too close for comfort. God forbid, he stares too long at Ashley and waste his effort in a shuddering, wet mess inside his shorts. Of all the ways for No Nut November to end, that was one of the worst.

"I bet." She smiled, and pulled on another bottom. "Ok, how about this one?"

He looked up again. This one was her classic style. A tiny silver string barely covered the space between her cheeks, and somehow the tightly-stretched piece of fabric made her butt look even rounder than when she was nude..

"Guh." He shuddered. His tented shorts twitched, and he felt himself spurt the precum she'd already nearly coaxed out of him. Ashley's eyes lit up as the moisture beaded on the outside of his shorts.

"Oh. You *really* like this one. I think that's a winner, unless you want me to do the rest?"

"No." He was already going to be sore for hours from this little shopping trip.

Do you think they'll let me wear it out? It's a little cold outside, so I'll probably poke through the top a bit, but it's not a long walk to the car."

"Right. Just...give me a second." He clenched his hands tight, willing himself away from the edge.

"Uh, how long is it going to take?"

"If...if I stand up right now, I might brush up against my shorts, and..."

"Got it." Ashley was grinning. "Ok, just let yourself calm down and meet me at the front? I don't want to walk to the car alone."

"Right." She left the dressing room. Jordan stay sitting inside for a few more minutes, alone with his thoughts. After a few minutes of willing himself away from the edge, he was calm enough to stand up without cumming, although his cock stayed rock-hard, even tucked into his waistband. He headed for the exit, his swollen balls forcing him to stagger awkwardly.

Until next time

You made it to the end. Hopefully your gonads are more functional than the ones you just read about.

I love hearing from readers. Whether you've got feedback, a request, an oddly specific scenario you've been dying to see written, a unformatted wall of text meticulously describing each and every ballbusting fantasy you've ever masturbated to, or just want to correct all of my typos, drop me a line.
